

**DUNAMIS**  
— DISTRIBUTION —

**Good for Business.  
Good for Community.**

## COMPANY OVERVIEW

We strive to provide knowledgeable, efficient, and customer-centric solutions for organizations that are focused on elevating their supply chain diversity efforts.

Dunamis Distribution leverages two decades of industry experience to bring you the knowledge and relationships needed to source and distribute products and services for your organization. Our expertise in medical, office, and industrial supplies - and our access to over 50 product categories - helps to ensure your organization has what it needs when it needs it.
